## VIETNAM WAR MEMORIAL

The Vietnam War Memorial has been a Washington, D.C., landmark since its inception in 1982.

This past weekend, South Dakotans had the opportunity to visit a replica of the wall as it traveled through Sioux Falls.

A highlight of the event was the reading of the names of the 192 South Dakota residents who were killed while serving in the Vietnam War.

## DEPLOYMENT CEREMONY HELD FOR 155TH ENGINEER CO. SOLDIERS

A deployment ceremony was held for 161 soldiers of the South Dakota Army National Guard's 155th Engineer Company in Rapid City, Wednesday, Aug. 12.

More than a thousand family members, friends and community supporters gathered at the Rushmore Plaza Civic Center's Barnett Arena to support their loved ones as the Rapid City and Wagner-based unit deploys to Kuwait for one year in support of Operation Enduring Freedom - Spartan Shield.

"The soldiers of the 155th represent the best of South Dakota, and I am proud to be a part of this South Dakota National Guard unit," said Capt. David Dodson, 155th commander. "We've trained hard. We've learned to do whatever it takes to make us successful and we are prepared."

The 155th is a vertical engineer company capable of providing engineer support in the construction of base camps

and facilities. The unit's mission will be

to provide construction, repair and maintenance of vertical infrastructures and facilities on a base in Kuwait.

Speakers for the ceremony included Gov. Dennis Daugaard, U.S. Senators John Thune and Michael Rounds, Rapid City Mayor Steve Allender and Maj. Gen. Tim Reisch, SDNG adjutant general.

"I am thankful for the sacrifice our National Guard Soldiers are making," said Gov. Daugaard,

while addressing the audience. "National Guard Soldiers in South Dakota are the most capable, dependable, adaptable, courageous and determined people you will ever meet. They are the kind of people you want at your back, when you need someone at your back. I am grateful for your willingness to serve."

"I couldn't be prouder of this unit. I know how hard you trained to get yourselves ready," said Maj. Gen. Reisch, during the ceremony. "There is no doubt in my mind you are going to go over there and perform extremely well in the coming year. I look forward to the day next year when we welcome you back to South Dakota." (continued)

## DEPLOYMENT FOR 155TH CONTINUED)

As a construction company, 155th has a wide variety of occupational specialties including carpentry, plumbing, electrical and masonry - services the unit has performed in a deployed environment before.

This is the second mobilization for the 155th, which deployed to Kuwait in support of Operation Noble Eagle in 2002-2003.

The 155th was the first SDNG unit to deploy after 9/11 in support of the Global War on Terror, where they helped to build up base infrastructure in Kuwait in the lead up to the Iraq war.

While deployed, it's not only the Soldiers that make sacrifices - the families share the burden as well.

"As soldiers, we volunteered and are proud to wear the uniform. But we don't wear it alone. Parents, spouses, brothers, sisters, children and relatives ... your support for us is invaluable," said Dodson, while addressing the families. "What we experience, you experience and we thank you."

"The world is a dangerous place - full of rogue nations, rouge terrorists and evil things who do not like America," said Daugaard. "Our National Guard is part of the vanguard that defends us, and as Senator Thune put it - keeps the wolves from our door."

"We've trained as a team, we will fight as a team, we will build as a team and we will come home as a team," said Dodson. "We are ready. Let's go."
